

# Shaherzade of...

Dilruba Shahana

I preferred to be hanged  
As unfortunately I was destined!  
Sadly the liars again,  
Made profit out of my death!  
One might ask  
How?  
Hanging of mine ignites the fire!  
Result is killing of each other  
The planned civil war!  
Dictators became useless  
As instrument to suppress...  
So civil war is needed to use  
As a bona fide excuse  
To capture opportunity huge!

The history was different  
I was the favourite one;  
Till I danced the way they wanted me to...  
Till I wagged  
Like a faithful...  
I got away with murder even!  
The day I raised my voice,  
Wanted to dance of my choice.  
Scenario has changed!  
Demon of the world  
Stopped loving shaherzade  
Of Bagdad!
