Dear Sirs,

We the inhabitants of Village Ubhajani, P.O. Ramdianali, Upazila Ghior, Dist. Manikgonj beg most respectfully to approach you with the following facts and hope that they will receive your kind attention and favourable consideration.

Mr. Paresh Chandra Sarker, son of Late Mr. Adhir Chandra Sarker of our village is a Freedom Fighter. He joined Mukti Bahini in 1971 and underwent training at different Camps in Bangladesh and at kalyani Juba Camp in India and fought against occupation army in sector no. 8 under sector commander Flight Lieutenant Jamal Uddin Chowdhury.

Mr. Sarker, father of four daughters, is a stamp vender having a small plot of land where he is living with his family. He had been struggling for existence with limited income from stamp vending. At present he is passing through financial stringency and due to paucity of fund he has been compelled to give up stamp vending profession. He gets an honorium of Tk. 500.00 per month from the Govt. of Bangladesh as a Freedom Fighter. He does not have any other source of income. Now it has become very difficult for him to maintain his family with this small income. Finding no other alternative, Mr. Sarker has published an advertisement in the Daily News Papers for sale of his kidney to save himself, his wife and an unmarried dumb daughter from poverty and hunger and to make refund of loan of about Tk. 2 lacs taken at the time of marriage of his other three daughters.

In the circumstances, we hope that you would be kind enough to extend financial help to Mr. Sarker to enable him to save his family from poverty and starvation and to get rid of aforesaid loan.

We give below the number of his Bank A/C :
Savings Bank A/C No. 34087002
with Agrani Bank, Manikgonj Branch.

Yours faithfully,

On behalf of the inhabitants
