

# *Spiritual Love*

## *Sefat Ullah*

*A soul loves you from the core of heart and soul,  
who meditates only of you.  
A soul admires of you, who has given you a normal life.*

*A person sacrificed his whole life for your happiness,  
who feels proud of your success,  
to whom you were like his shadow all the time!  
to whom you appeared as an ocean in the Sahara desert!  
Whom did you find as a real guide of your life.*

*A person dedicated all of his efforts for your satisfaction,  
whom you used to say,  
" I love you my darling from the core of my heart,  
you are the first and the last friend in my life,  
I will die without you!" whom  
you have forgotten by imposing punishment for whole life!*

*My Darling, you misunderstood your beloved one!  
for whom you felt proud to be his friend,  
Whom did you consider as only the best partner of your life.*

*Living in the same planet, breathing from the same air,  
watching the same sun-rising and sun- setting  
every morning and evening,  
getting energy from the same source the sola,  
having spirit from the same supernatural power,  
enjoying the same feelings  
sleeping in the same darkness,  
speaking in the same language,  
achieving love of vertical and horizontal,  
divinity, integrity, solidarity, spirituality and eternity,  
dreaming and working only for the welfare and  
freedom of the mankind all the time!*

*Running away ignoring speaking, smiling and kissing  
as before while meeting on the way,  
which hurts your Tomi too much!!  
for whom you made the heaven a hell!  
who escaped your life from a dark world,  
who brought you from darkness to light,  
who established your due rights in the society,  
who will be loving and wishing for your mental peace  
and happiness until the last day of his life!  
whom you inspired to write and fight for the freedom of  
the deprived, distressed, helpless and backward People  
for bringing real peace and happiness on the earth!*

*Be happy my Darling! Long live my Darling!!  
Be the happiest person on this beautiful earth!*
